PROFESSIONAL EXPERIENCE

MPOLO Design Inc.

January 2026 – March 2026

Materials Research & Sustainability Assistant

Toronto, ON

- Initiated and managed communication with building material **manufacturers** to obtain Environmental Product Declarations (EPDs), technical datasheets, and sustainability **certifications**.
- Conducted Life Cycle Assessments (**LCA**) to compare material assemblies, embodied carbon, and environmental impacts across multiple design options.
- Analyzed material **performance** data to support low-carbon, climate-responsive design strategies.

ArcPro Media Inc.

September 2025 – November 2025

Sales Calls & Social Media

Toronto, ON

- Produced short-form dental **awareness** videos (10–15 seconds) using Adobe Premiere Pro, Adobe Stock footage, and custom text overlays to improve student **engagement**.
- Developed clear, student-focused **scripts** and visual concepts to communicate dental coverage benefits included in university tuition.
- Managed full media **production** workflow: research, footage organization, editing, audio balancing, captioning, and exporting final deliverables.

Whole Human Coaching

July 2025 – September 2025

Digital Media Marketing

Toronto, ON

- Conducted in-depth **market research** on small, social change-focused businesses to identify digital behavior, content preferences, and service needs.
- Designed and executed a values-driven digital media campaign across social media, blog, and email channels aligned with **brand mission** and target audience.
- Analyzed campaign performance through engagement metrics and audience feedback, producing a final impact report with actionable recommendations.

Change Promotions

April 2025 – July 2025

Social Media Director

Toronto, ON

- Promoted client brands at public events by **engaging** customers and delivering detailed product and service information.
- Assisted in event **logistics coordination** including booth setup, signage placement, and inventory management to ensure a seamless brand experience.
- Collected and reported **consumer feedback**, behavioral insights, and engagement metrics to help clients refine outreach strategies and improve campaign performance.
